

Membership

For the Burnie Dockers Football Club, the newly formed Tasmanian State League provides an ideal opportunity for the club and players within our region, to prove their professionalism and sports ability to the greater Tasmanian population.

On field this season looks extremely promising, with good numbers already training & a positive feel amongst the players and committees.

There is absolutely no doubt that the success of this football club is as much attributed to our off-field performance as it is to our on field ones. So we would sincerely encourage all past players, members, supporters and volunteers who are no longer involved with the club to return and support us, both on and off the ground, in season 2009.

Our membership drive for the season has just kicked off and our goal is to build the membership base by encouraging everyone within the local community to support us and become members, ensuring that we are the benchmark of the TSL.

Membership packages this year have been compiled to provide for flexibility and family involvement and anyone interested in joining as a member can contact the club on 6431 1819
